

Lucette Yvernault

Head of Systematic Fixed Income & Portfolio Manager

Lucette Yvernault
Head of Systematic Fixed
Income

Based in: London

Investment experience:
18 years

Lucette Yvernault joined Fidelity in 2017 and is responsible for leading Systematic Fixed Income within Fixed Income. Lucette has 16 years of investment experience and has a strong experience of managing customised solutions, designing tailored portfolios and developing advanced strategies to meet client needs in the Insurance, Pension Plan, Smart Beta and Income industry.

Prior to Fidelity, Lucette held a range of senior positions within asset management. During her 11 years with Schroder Investment Management, Lucette was Lead Global Credit, Global Multi Asset Income and Smart Beta Portfolio Manager. Lucette was responsible for managing Investment Grade, High Yield and Emerging Market strategies on behalf of clients in UK, Europe, Asia and Australia. Prior to this, Lucette worked as a Vice president responsible for CAM Global credit mandates from 2003. She ran institutional and retail European investment grade mandates for EUR, GBP and USD corporate strategies. Lucette's investment career commenced in 2000 upon joining CMG First State Investment in Hong Kong.

Lucette has a Masters of Engineering in Management and Financial Analysis from EPF Sceaux.
